### Parental/ Guardian Agreement

*The learner is asked to participate in a cooperative manner, showing respect to the tutor and fellow learners. The group will engage in practical studio-based activities and participants must show care for the equipment supplied and the premises occupied. The learner will be shown how to clean and store equipment and will be expected to do so, by way of good studio practice. In a creative environment coercive or aggressive behaviour is unacceptable. The learner should report concerns on these points to the tutor or parent immediately should they occur. Breaches may result in the learner forfeiting their place in the program.*

I give permission for images of the learner engaged in Art Club activities to be used in promotional media during and after the program  Yes  No Agreed by parent/guardian
