## AUSkey is being retired!

### MyGovID and RAM commence on the 31<sup>st</sup> of March! Get ready by attending a Free Workshop

Central NSW Business HQ is working with the ATO to run **Free 1 hour workshops** across the Central West and Orana region during February and March to assist business with this Digital transition.

This will affect small business in the following ways;

- Submit BAS statement,
- using the Small Business Superannuation Clearing House,
- paying Withholding tax and
- update their ABN details.

AUSkey has been in use since 2010 however on the 31st of March it is being replaced with MyGovID and RAM for businesses.

MyGovID will be the primary way for Australians and Australian Business to securely login to transact with the Australian Government services.

RAM will allow individuals to manage secure accesses to services on behalf of a business.

It affects everyday people as well as Businesses so take the stress out of this change and attend a workshop in your region.

**Narromine Workshop 19<sup>th</sup> February 6pm at Council Chambers Dandaloo Street, Narromine.**

To book a seat to a workshop in your town go to [Central NSW Business HQ facebook page](#) and select the Events page or for booking by phone and email contact us on the below.
