NARROMINE BUSINESS COLLECTIVE

We are a volunteer group of local business owners,
keen to establish a network of support and learning
in the Narromine district

We aim to hold learning and social events in the Narromine
district to build the resources and skills, whilst also building a
social network of businesses

Our first event is Gather, which will be held on 8 March 2025.

If you are interested in being part of this event committee, please let
us know - we would love to have more volunteers.

Whilst this event is held on International Women's Day, the purpose
of this committee is to be inclusive and diverse with future events
showing variety and diversity.

Following this event, there will be an AGM where positions will be
available and a committee formed for ongoing events and running of
the committee. If you are interested in this, please let us know.
