

Connections to Country- Trangie

Come have a yarn with us at the Wungunja Cultural Centre and:

- **Hear from our special guest Adam Shipp-** Adam is a proud Wiradjuri man and passionate advocate for traditional knowledge. He'll be sharing his insights on native plant identification and the traditional uses of local bush plants.
- **Find out about Central West Local Land Services-** hear about what we are working on and how we support land managers and community to manage natural resources, biosecurity, agriculture and emergency management.

This is a great opportunity to connect with Country, and culture in a meaningful way.

A light lunch will be provided, please contact us if you have any dietary requirements.

Please wear suitable shoes as there will be a short walk.
